Foreword: Sophie Devine

It's been a while since I have played for OBC down at Elmwood Park, but it's always been a place that I love. When I was at University in Christchurch I played for the OBC Premier Women's team, and I have good memories of that time.

Even though it has been a few years since I have played for OBC, I have kept an eye on the club. It's great to see that the club is thriving with 46 junior teams this season and a massive shout out to the five women's teams that the club has this year. Also, seeing the development of the nets and the pavilion proves that the club is in great heart.

OBC has a great history of producing great players like Shane Bond, Sir Richard Hadlee, and Erin Birmingham. It's also great to see that they have current New Zealand players like Todd Astle and my good mate Katey Martin.

It is a huge season for the women's game this year in New Zealand. With the Women's World Cup playing after Christmas. It's going to be a fantastic showcase of the world's best, and it's going to be great to have the final at Hagley. I urge you all to get behind the White Ferns as we endeavor to win the cup.

I wish the club all the players all the very best for the upcoming season, and there is no better place to play cricket in Christchurch.

FILL YOUR BODY WITH GOODNESS

Eating enough good fruit and veges can be hard. That's why we trapped all the goodies from 100% NZ green veges and red berries and made them into our nutrient-packed, easy to use powders. Just add water, shake and run!

President's Welcome

Welcome everyone to the 2020/21 season,

How good is it to be outside, playing sport and having some fun with your mates? It's been a crazy couple of months since last season ended, but it's great to have everyone back representing OBC once again.

As a club, we will try our very best to keep everyone safe. The obvious safety protocols will be an evolving situation this year and how it directly applies to the club and the game we love so much will take a huge priority. The framework and rules about what we can and can't do will be ongoing, but just focus on having as much fun as possible and enjoy everything about playing the game.

The committee has worked hard again over the winter with the monumental win of the training nets being approved. We are hoping to crack on ASAP, weather and council permitting, to deliver what we hope to be the best facilities in town for our very deserving and patient club members.

The support of our generous sponsors is once again reflected in the guide. Shopping local and supporting the people who support the club has never been more important. So I urge everyone to pop in and use as many sponsors that you can as they certainly go a huge way to helping keep the club thriving as it does.

We have many long term sponsors which the club truly treasures their support, but I would like to give special mention to Cricket Express, who have gone above and beyond for our own OBC clothing line. It simply looks amazing and nothing makes me prouder than seeing the OBC logo on show around Christchurch. When you ask one of our junior members who do you play for and they proudly beam back "OBC" whilst wearing that famous logo is the greatest feeling I can have as President.

A huge thank you for all the support of the wider group of parents, grandparents, helpers, orange suppliers, managers, scorers, coffee run saviours as you are, the true heartbeat of our club. Rain, hail or shine you're the absolute best of what we are as a club and I can't thank you enough for that.

There is simply nothing greater than playing cricket with your mates at Elmwood Park, all the best for the season and let's make it the most enjoyable one ever.

Paul Knight

OBC President

Top Order Bat - L/A Howyagoin'

4735 Two Dayers - 5892 One Dayers

HS - 401 (Test) | BB - 11/0 (innings)

The quintessential OBC man, Elmwood park was constructed around Tony, who just happened to be sitting there with his score-book in the late 19th century. Competitive advantage of adding runs and wickets to our tally when we're a bit short

MARK BARNES: MEN'S CLUB CAPTAIN

Lower Order Bat - R/A Medium

38 Years of Club Cricket

Send offs - 27 per innings | BB - 5/23 (Div 2)

A relatively recent import from Marist Harewood, Barnesy is the human embodiment of Christchurch club cricket. Known by many and friend to some, Barnesy uses his perfect wrist position and fiery tongue to out-skill and 'outwit' his opponents. Competitive advantage of pulling 0 verbal punches and often shouting beers after training

DAVID WAKEFIELD: WAKERS
Opening Bat - R/A Unorthodox
 53 Two Dayers - 57 One Dayers
 HS - 125* | BB - 5/27

Wakers started in the Premier Men's team when he was 18. Rising through the order to become our go-to opening batsman, David is the man to build an innings around. He has represented the USA in List A Cricket, becoming another international representative on our books. Competitive advantage of always having sunscreen on Saturdays

CONOR ANSELL (LACHLAN CASE)
Top Order Bat - R/A Unorthodox
 9 Two Dayers - 4 One Dayers
 HS - 55 | BB - N/A

One of the more exciting prospects at the club, Conor is an Auckland and New Zealand age group representative. A future leader of men, Conor's talent and dedication is a huge asset to the club. Competitive advantage of being the most well-mannered cricketer on planet earth and being Jeff Case's son.

TODD ASTLE (HANK)
Top Order Bat - R/A Unorthodox
 45 Two Dayers - 50 One Dayers
 HS - 195 (First Class) | BBM - 14/234

Canterbury's all time leading wicket taker and also quite a nice bloke, Todd is loved and respected by all at OBC. As the cultural leader of the club, Todd penned the Premier Men's team song AND introduced our motto; beTHEclub. Competitive advantage of playing Test Cricket for New Zealand and bowling an okay wrong'un.

MATT BOYLE (BOYLEY)
Top Order Bat - R/A Unorthodox
 3 Two Dayers - 8 One Dayers
 HS - 151* | BB - 2/38

Another St Bede's boy, Matthew joined the club at the end of 2020 and staked his claim as one of the most talented and dangerous batsmen in senior cricket. The 6'5 18 year old left hander proved his worth with an unbeaten 151* against competition winners St Albans last year - watch this space. Matt enjoys long walks on the beach, long whites (lemon and lime) and long hair on men.

Player Profiles - Premier Men

JEFF CASE (DAD)

Top Order Bat - R/A Orthodox
84 Two Dayers - 88 One Dayers
HS - 124 | BB - 4/52

The first name on our team sheet, Jeff is Mr Reliable for Old Boys. Becoming nearly impossible to dismiss over the last few seasons, Jeff consistently scores runs when it counts and is relied on for wisdom and guidance on and off the park. Competitive advantage of being really good at batting.

NIC CLARK (CLARKY)

Middle Order Bat - Wicket Keeper
18 Two Dayers - 15 One Dayers
HS - 203* | C/S - 52/7

The first of our two glove-men, Nic is a product of Central Districts. With even temperament, keen game awareness and the ability to bat anywhere in the order, Clarky is a key member of the Premier Men's squad. Somehow excels in his craft despite chronic laziness. Competitive advantage of growing a beard during a session.

HARRISON COX (PIG/ARNIE)

Lower Order Bat - R/A Fast
13 Two Dayers - 13 One Dayers
HS - 22 | BB - 6/59

One of our star signings of last season, Harrison is a name to look out for this year both on and off the field. Using his frightening pace and robotic accuracy, Coxy took 50 wickets in his debut season and will no doubt be on the leader's board again this year. Affectionately known as 'The Pig,' Competitive advantage of mentally disintegrating everyone around him.

CALLUM CURNOW (CAL)

Lower Order Bat - R/A Med/Fast
19 Two Dayers - 17 One Dayers
HS - 17* | BB - 4/78

Cal is one of the few tolerable Bedeans we've encountered. Since leaving school in 2015 he has become a reliable mainstay in the premier men's side, often spearheading the attack and specialising in dismissing left handers. Floating between 10 and 11 in the batting order, he sports an ungainly 'baseball-style' technique. Competitive advantage of being cultural leader, song-master and Trojan horse

Player Profiles - Premier Men

SEAN DAVEY (BROTHER-IN-LAW OF)

Middle Order Bat - R/A Fast Medium

10 Two Dayers - 10 One Dayers

HS - 61* | BB - 5/27

The latest OBC man to earn a Canterbury Cricket contract, Sean is a talented seam bowler and middle order batsman. Since signing with Canterbury over the winter, Sean has not been seen at training or club games. If found, please return to Gwen Morgan.

JOSEPH EDGERTON-TILL (BIG BIRD)

Lower Order Bat - R/A Medium

25 Two Dayers - 21 One Dayers

HS - 19 | BB - 4/11

OBC's answer to Curtly Ambrose, 'Tilly' is by far our largest operator. Tilly's bounce and consistency makes him the perfect man to restrict runs in the middle of the innings. Although Tilly's batting isn't flash, he once hit Hamish Bennett for a 230m six into the tennis courts. Competitive advantage of releasing the ball from four metres in the air.

CAMERON FLETCHER (CHEST & ARMS)

Middle Order Bat - Wicket Keeper

8 Two Dayers - 1 One Dayers

HS - 108 (First Class) | C/S - 265/29

This man is running the best rig in all of world cricket. When he's not bodybuilding, Fletch wicketkeeps for Canterbury in all formats and is a prolific middle order run scorer. Fletch recently scored a 100 for New Zealand 'A'. Competitive advantage of having his own XXS shirts made for the season to show off his gargantuan biceps.

@_camfletcher on Instagram.

FERGUS FAIRBAIRN (FERG)

Lower-Order Bat - R/A Fast/Med

8 Two Dayers

HS - 5* | BB 6-55

Ferg is convert from Canterbury Country who quickly settled into the senior men's environment. After a brief stay in the Scrapheap (where most of his highlights included bouncing the life out of teenagers) Ferg was promoted to the Premier Men's side and quickly cashed in with 6-55 against Burnside.

Player Profiles - Premier Men

THOMAS GRAHAM (LITTLE GRAHAM)

Middle Order Bat - R/A Unorthodox

8 Two Dayers - 8 One Dayers

HS - 54 [2's] (2nds) | BB 2/26 [2's]

Younger brother of Will, Thomas sets himself apart from his brother by bowling leggies and looking capable with a bat in his hand. Having only spoken twice in his two seasons at Old Boys, we don't know too much about him yet. Competitive advantage of bowling a wrong'un to rival Todd Astle's

LUKE GERMON (POST MALONE)

Middle Order Bat - L/A Orthodox

21 Two Dayers - 19 One Dayers

HS - 66 | BB - 6/21

Son of former Black Caps Captain and wicketkeeper, Lee Germon. Luke, unlike Dad, bowls left arm offies and drops catches. Nevertheless, Luke is a key member of the Premier Men's squad, taking regular wickets and scoring valuable runs throughout the season. Competitive advantage of getting free Sydney Thunder kit.

WILL GRAHAM (BILLY)

Lower Order Bat - R/A Med/Fast

8 Two Dayers - 9 One Dayers

HS - 23 | BB - 3/23

With Tim Braid moving to Wellington over the winter, Will now proudly holds the title of best looking man at the club. Will is a former Canterbury age-group representative and is currently on scholarship at Lincoln University for his promising fast-bowling. Competitive advantage of hitting 21 off an over with his eyes closed and running away from the ball.

JACK LEWIS (LEWY)

Middle Order Bat - R/A Mystery

33 Two Dayers - 31 One Dayers

HS - 84 | Catches - 35

A blistering left handed batsman, Jack has been a member of the Premier Men's squad since he left high school at the end of 2015. One of the best fielders at the club, his heat-seeking missile of a throw once won a semi-final with a direct hit run-out from the boundary. Competitive advantage of being the only one capable of controlling Harrison Cox.

ED NUTTALL (NUTTS)

Lower Order Bat - L/A Fast

24 Two Dayers - 24 One Dayers

HS - 27 | BB - 5/38

Another Canterbury and New Zealand 'A' representative, Ed bowls really really really REALLY fast. As Canterbury's strike bowler, Ed plays for Old Boys whenever his domestic schedule allows and has a twin brother who has also opened the bowling for OBC. Sponsored by Adidas, he has the nicest kit of anyone at the club. Competitive advantage of being far too quick for club batsmen.

TOM TAYLOR (COLONEL SLAMMER)

Opening Bat - Wicketkeeper

45 Two Dayers - 50 One Dayers

HS - 124 | C/S - 102/16

One of the hardest hitting batsmen in the league, Tom is the undisputed Captain of the bomb squad. Having hit 79 sixes in his Premier career, Tom is showing no signs of slowing down. Also a talented wicketkeeper, Tom shares the gloves with Nic Clark. Competitive advantage of striking fear into the hearts of the league's opening bowlers

Old Boys Collegians Traditional Cap

Being presented an OBC Traditional Cap is the goal of every young man that plays for the club. It is awarded to those who play 20 Two-Day matches for the Premier Men's side.

OBC Women's Cricket

The 2020-2021 season saw the Women's Club continue to develop and grow the game with some notable achievements along the way.

We were pleased to be able to provide teams across the grades in the Metro competition as well as teams in all the CJA age group grades. A lot of work has been done, continuing to develop the Women's club so that so that girls have a pathway and are comfortable transitioning the grades and helping them develop their games further.

Over the season, we had a consistent group of young players who played every week, which enabled us to develop our teams and continue the momentum throughout the season. This resulted in some fantastic cricket at times and several players going on to gain representative honours.

The Club supplied 4 players to the Canterbury Magicians team - Allie Mace-Cochrane, Missy Banks, Emma Kench and Abby Gerken who debuted this season. We also had 3 players in the Canterbury U19 team – Missy Banks (Cpt) Abby Gerken, and Tatiana Gibbs. Missy Banks and Abby Gerken got further recognition representing the club and province in the NZ U19 team. Missy also captained this side against the NZ Police team

The Prem team had mixed results throughout the season but were competitive in all three formats. We ended up winning the T20 competition, runners up in the Kirsty Bond series but off the pace in the One Day Comp after a slow start. The team was avidly led by Missy and Allie with Meg Lay stepping up in their absence due to representative commitments

Our U16 team was very competitive throughout the season and again won the Shirley Cowles One Day competition for the second year in a row. It's exciting to see this groups continued development and it bodes well for the future as we continue to develop some real depth in the Women's club. We hope to have the main body of this group move up to the Div1/U19 grade for the 2021/2022 season

A huge thank you to Paul Knight who, as well as his Club President responsibilities, coached the Women's Prem team. Paul continues to part his knowledge, building a close link with the girls and developing a great team culture. I would also like to thank Richard Lough and all the other coaches that have contributed to our girl's cricket development. Richard has played a big part in the success of the U16 team and ensuring we fielded strong teams each week and that Saturday games run smoothly. Richard and Coaching Solutions have also been building some strong connects with our feeder schools which will help the club provide players for the future and a pathway for these girls to develop their game

We are looking forward to the coming season, the use of new nets facilities, the completion of the new pavilion and delivering even more success for the players and the club.

Ady Simmons

OBCCC Women's Club Captain

Player Profiles - Premier Women

HAYLEY ABURN

Opening Bat - Wicket Keeper

HS - 89* | C/S - 76/15

Jack of all trades, 'Hayburn' bats, wicketkeeps and occasionally bowls. Consistently sitting at the top of the leader-board for runs scored, Hayley is one of the strongest players in the league and integral to the success of our Premier Women's Team. Competitive advantage of scoring at least 100 runs more than anyone else every single year.

LUCY BOUCHER

Middle-Order Bat - R/A Medium Fast

HS - 36* (LIST A) | BB - 3-52 (LIST A)

Another new recruit, Lucy comes to OBC from the recently re-branded Northern Brave! Adding to the list of OBC's Domestic Representatives, Lucy offers plenty with the bat and the ball. Be sure to support Lucy in the Super Smash this season! (Except when she's playing against the MAGICIANS)

MELISSA BANKS

Lower Order Bat - R/A Medium Fast

HS - 72 | BB - 6/5

Missy is the first of our professional ladies to be featured. Seemingly involved in Canterbury age group teams since birth, Melissa is a naturally gifted, gun bowler with bags of potential. Competitive advantage of being really good at bowling cricket balls.

EMMA BLUNDELL

Lower Order Bat - R/A Med Slow

BB - 2/13

Being relatively new to cricket, Emma has taken to the game like a fish to water. A giant killer and the most committed fielder in the team, Emma puts her all into the game and picks up key wickets along the way. Competitive advantage of taking one handed catches behind her back and being capable of drinking half the men's club under the table

Player Profiles - Premier Women

TATIANA GIBBS

Lower Order Bat - R/A Medium

HS - 22* | BB - 3/13

A Canterbury age-group representative, talented bowler, mind games specialist and academic scholar, Tatiana has a good number of feathers in her cap. Occasionally training with the Magicians, Tatiana looks to have a bright future, whether she follows cricket or not. Competitive advantage of being good at everything.

ABIGALE GERKEN

Middle Order Bat - Wicket Keeper

HS - 108 (LIST A) | BB - 4/27

Abigale is the club's most recent Canterbury Senior Representative, earning her first call-up at the end of last season and being awarded a MAGICIANS contract for the 2021/22 season. Abigale has already impressed, scoring a maiden List A century at only 19 years old against the Otago Sparks! WATCH THIS SPACE

EMMA KENCH

Middle Order Bat - R/A Medium

HS - 72* | BB - 3/11

Another one of our pros, Kenchy is a multi-talented athlete. Spending her winters playing football for Cashmere Technical and her summers playing cricket for the Magicians, Kenchy is characterised by her analytical and methodical approach to the game. Competitive advantage of being picked first for warm up football games.

MEG LAY

Middle Order Bat - R/A Medium Fast

HS - 55 | BB - 3/15

The social epicenter of the ladies' club, Meg is someone you want around when the game finishes up. Always in a good mood and ready for a laugh, Meg also contributes valuable runs throughout the season. One of the best net bowlers ever produced, Meg also has the competitive advantage of using her forklift license to drive the ladies home after a night out.

Player Profiles - Premier Women

ALLIE MACE-COCHRANE

Middle Order Bat - R/A Orthodox

HS - 173* | BB - 4/22

Bowling right arm offies and showing real class with a bat in hand, Allie is a huge contributor to the club whenever she's available. Sporting a strong cricket brain between her ears, Allie leads by example through her tireless efforts during the game and in training. Competitive advantage of being the hardest worker in the room, Allie earns every single run and wicket she gets.

KATEY MARTIN

Top Order Bat - Wicket Keeper

HS - 131* | C/S - 61/33 (Int'l)

Undeniably one of the best players to ever pull on an OBC shirt, Katey began her White Ferns career when many of the current ladies squad were still in nappies. The owner of some of the safest hands in the Southern Hemisphere and an extremely talented batter, Katey's competitive advantage needs no explanation beyond she is really good at cricket.

GWEN MORGAN

Middle Order Bat - R/A Medium

HS - 41* | BB - 2/16

As a former Ireland International and talented all-rounder, cricket is in the blood for Gwen as we are told her brothers play a bit gherk back in the UK. Employing a plethora of scoops, scatches and reverse sweeps, Gwen makes up for her horrendous running technique by having a nice accent. Competitive advantage of being a PHD student and regularly out-drinking her significant other... To be sure to be sure.

HANNAH STEVENS

Lower Order Bat - R/A Medium

HS - 19* | BB - 2/23

The glue that holds the team together and a lovely person to boot, Hannah is very easy to like. Possessing a good batting technique and enviable seam bowling height, Steve-o will just keep getting better as she gets older. Competitive advantage of being the biggest cricket nuffe on planet earth.
